What Does Flagstick Do For Golf?

Flagstick Golf Magazine and its affiliates may be a thriving business but in the last 15 years it has proven to be far more than that. We are heavily involved in the golf community beyond simply providing news coverage of the events within our region and beyond.

We strive to support not only the golf community, but our region as a whole through a variety of sponsorships and events we promote, embrace, sponsor, and help to develop each and every year. The community has been kind to us so we try and give back to those who get behind our efforts and enjoy our publications.

This includes, but is not limited to, thousands of magazines and dozens of prizes that are given by us each year to support worthy charitable tournaments. It also includes heavy involvement in a wide variety of events including:

The Flagstick Spring Amateur Shootout at Smuggler's Glen

As title sponsor we provide a venue for the best male amateur golfers in the region to compete and prepare for the season ahead.

The Metcalfe Charity Classic

As presenting sponsor we have helped this tournament raise thousands of dollars for the Osgoode Care Center, a home for the aged in the south end of Ottawa.

Take The Kids To The Course Week

We provide regular promotion for this event that encourages children and families to enjoy the positive benefits of golf together. It is among many events we provide free promotion for.

OVGA Intersectional Matches

These region wide events provide inter-club play for thousands of golfers including men, women, seniors, and juniors. As title sponsor we take pride in this event that is not only historical in nature but is the largest single golf event for the region as far as participation. We also promote and support (through editorial) all Ottawa Valley Golf Association, Golf Quebec, Golf Association of Ontario, and Royal Canadian Golf Association tournaments.

Kevin Haime Kids To The Course Golf Classic

We are a key sponsor to this tournament that provides funding for a junior golf initiative that provides access to golf for the youth of the area. It also generates funding for various programs each year that can range from snowsuit funds to junior ski programs.

Ottawa Citizen Amateur Championship

One of the most prestigious competitive events in the area is about to turn 10 years old and we have been part of it from the very beginning. Now as an active sponsor we provide a number of services to this event at no charge to encourage its continuation and growth.

Ottawa-Gatineau Golf Expo

We have been a part of this annual spring golf showcase since it debuted in 1996. Over the years we have not only participated and encouraged attendance by our readers but we have used our resources to support the event in many critical ways.

Flagstick Golf Magazine is a magazine for, and about, the golfers of our region and we don't just say that, we prove it in what we do each and every year. Our community is just that, our community, and we support it in any way we can, within our capabilities.
